

# RETHINKING CHURCH AND WORSHIP IN A PANDEMIC

## CONTEMPORARY WORSHIP

- ▶ 1. the use of contemporary English,
- ▶ 2. a dedication to relevance,
- ▶ 3. the use of current musical styles,
- ▶ 4. extended times of uninterrupted congregational singing,
- ▶ 5. centrality of musicians,

## CONTEMPORARY WORSHIP

- ▶ 6. greater levels of physical expressiveness,
- ▶ 7. greater informality,
- ▶ 8. a commitment to adapt worship to match contemporary people,
- ▶ 9. a reliance upon electronic technology.

## THE MAN AND HIS IDEAS

**"I'm very determined.  
If I decide that something  
is worth doing, then I'll put  
my heart and soul to it.**

**The whole ground can be  
against me, but if I know  
it is right, I'll do it. That's  
the business of a leader."**
