Statement of Financial Support

In order to be admitted into the College's program, overseas applicants are required to submit official documentation certifying they are financially able to cover all expenses while attending the study program, including all tuition, personal, medical and living costs.

If applicants cannot afford their own study expenses and are, instead, being sponsored by a family member, organisation or school, applicants are required to submit the letter from their sponsor along with all official documentation. The letter must bear the sponsor's original signature.

Upon acceptance into the College, new international students are required to pay one year of fees in advance. In the event that a student withdraws from the programme, the College will refund the fees paid in advance, provided the student notifies the College in writing before or not later than 14 days from the start of the new semester.
